

Dear Parents/Carers,

This week our History Makers enjoyed a fun packed four days and three nights away at School Camp in Bentley Copse. It was a truly special time where pupils and staff spent time working and thriving as teams and living and breathing our core values. They enjoyed a range of activities including: climbing, zip line, pedal karting, team building, laser tag, night line, Jacob's ladder, traversing and a 5k walk in the Surrey hills. We were incredibly impressed with pupils' support of each other in all these activities and showing excellent resilience in some challenging tasks. The tented community created a hive of play and we were so lucky with the weather. My thanks must go to the incredible staff who have yet again shown dedication to 'Going Beyond' to make our school such a success. Their teamwork is second to none.

We also welcomed our next cohort of History Makers at their Induction day hosted by our trust partner Kingston University on Wednesday. The new pupils took part in Karate, bridge building and music making. We look forward to the next step in their transition in September.

The end of year update from myself and Chair of Governors will be sent out to all parents on Wednesday—please look out for it.

Have a good weekend

Kind regards,

Sophie Cavanagh

School Camp 2016!

Record Breakers!

7Re set the record for the highest crate stack with 25 crates and Nathan D set a new Bentley Cops record on the **assault course** with an impressive 47 seconds.

My highlight of camp was....

“..the crates because I was at the top!” (Bethany)

“...zip line because it was so adventurous” (Ben)

“...crashing into Henrietta in my Pedal Kart!” (Domile)

“...rock climbing and laser tag.” (Gabriel)
