Lettings Policy

1. Introduction

Kingston Educational Trust regards the school buildings and grounds as a valuable community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aim of the Trust is to support the school in providing the best possible education for its pupils, the promotion of equality of opportunity and the community cohesion of the local area. Any lettings of the premises to outside organisations will be considered with this in mind.

2. Definition of a letting

A letting may be defined as: “Any use of the school buildings and grounds by parties other than the school. This may be a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of ‘Weight Watchers’). The school’s share budget may not be used to subsidise lettings.

The following activities fall within the corporate life of the school and are **not** considered to be lettings. Costs arising from these uses are therefore a legitimate charge against the school’s share budget:

- Meetings of the Trust Board
- Extra-curricular activities for pupils organised by the school
- School performances
- Family learning
- Parents’ meetings
- Meetings of FoTKA
- FoTKA organised events

3. Charges

The Head Teacher is responsible for setting charges for the letting of the school premises and these will be reviewed annually. Details of current charges are set out in the Terms of Conditions for Hire at Appendix 1.

4. Discounts

The Head Teacher is able to offer any discounts or agree a subsidy for any lettings, as they deem appropriate.

5. VAT

The school is constrained by law to apply value added tax to all transactions where this is appropriate. The letting of rooms for non-sporting activities is exempt of VAT, whereas sports lettings are subject to VAT. VAT is also due on any separate charges made for the hire of equipment.

6. Minimum hire period

The minimum hire period is one hour.

7. Deposits

The Trust reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition incurring additional costs for cleaning, caretaking or other expenses.

8. Payment

Payment for individual bookings will be required in full at the time of booking. Payment for recurring bookings will be required half termly in advance.

9. Cancellations

The school will seek to recover any costs incurred by the school that are unavoidable and result directly from the cancellation of a letting. The timescale and charges for cancellations are set out in the Terms and Conditions of Hire.

10. Available facilities and letting times

The following areas of the school are available to hire:

- The school hall
- A single or multiple classroom(s)

- The playground
- The conference room

The following areas will become available to hire from 2018

- Sports hall
- Multi use outdoor games area

Facilities include:

- Disabled access
- Male and female changing rooms
- Parking (subject to availability)

The earliest and latest possible letting times are set out below. However, all proposed timings within these restrictions are subject to the approval of the Head Teacher.

	Earliest letting time	Latest letting time
Weekdays Term Time	5.00pm	10.00pm
Weekdays during School Holidays	8.00am	10.00pm
Saturdays and Sundays	9.00am	6.00pm

11. Conduct of users

This is set out in the Terms and Conditions of Hire at Appendix 1.

12. Management of lettings

The Trust has delegated day-to-day responsibility for lettings to the Head Teacher. Where appropriate, the Head teacher may delegate all or part of this responsibility to other members of staff including the Facilities Manager and School Business Manager, whilst still retaining overall responsibility for the lettings process.

The Head Teacher has delegated authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure. An annual report on lettings will be made to the Buildings, Finance and Resources Committee of the Trust and will include information on users, finances, incidents and accidents, enquiries, and any lettings refused.

13. Considering applications for lettings

Organisations or individuals seeking to hire the school premises should contact the Facilities Manager or School Business Manager, who will provide the Terms and Conditions of Hire (which include details of current charges) and a Lettings Booking Form (see Appendix 2).

The Lettings Booking Form should then be completed, signed and returned to the Facilities Manager or School Business Manager, with the supporting documentation specified. A record of all applications will be kept on file.

The Head Teacher will decide on each application with consideration to:

- Interference with school activities
- The availability of the facilities and required staff
- The ethos and values of the school
- The school's equal opportunities, health and safety and safeguarding policies
- Health and safety considerations such as numbers of users, type of activity, qualifications of instructors etc.
- Maintenance of the security of the site
- Potential noise/traffic disturbance to local residents and parking
- The earliest and latest letting times as agreed by the Trust (see section 2)

Priority will be given to:

- Lettings to parents, the local community and voluntary organisations
- Educational or recreational activities open to school pupils and their families
- Activities organised by local community groups for the local community

The Head Teacher will resolve conflicting requests for use of the premises at their discretion and taking into account the considerations set out above, with priority at all times being given first to school functions.

The Head Teacher on behalf of the Trust has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing, all required documentation provided and payment received in full. The reason for refusals should be recorded on the bottom of the Lettings Booking Form and fully explained to the applicant.

Lettings will not be made to:

- persons under the age of 18;
- any organisation or group with an unlawful or extremist background.

The Trust has due regard to the Prevent Duty 2015 and as such school premises or facilities will not be let to groups that have extreme ideologies, viewpoints or links. If the school becomes aware of a Prevent concern regarding a group or individual using the premises or applying to do so, this will be reported using the appropriate channels.

If the Head Teacher has any concern about whether a particular request for a letting is appropriate or not, they will consult with the Chair of the Trust Board.

14. Hire Agreement

Once a letting has been approved, a letter of confirmation will be sent to the hirer, enclosing a copy of the Terms and Conditions of Hire and the Lettings Booking Form countersigned by the Head Teacher.

All formal hiring of school premises must be properly documented, including any for which no charge is made.

The Lettings Booking Form and Terms and Condition of Hire comprise a contract which the Trust may legally enforce and must be adhered to.

15. Induction

No new letting shall commence until the hirer has attended an induction session with the Facility Manager and signed the Letting Induction Form to confirm this (see Appendix 3). A central record of all letting inductions shall be kept.

16. Complaints

A complaint about the school from someone letting the school premises should be dealt with by following the school's complaints procedure, which is published on the school website. Complaints by a third party about the hirer will be forwarded to the hirer.

17. Review

The Head Teacher will review this policy every three years. The next review is due in October 2020.

Dated: 12 October 2017

Signed: Sophie Cavanagh, Head teacher

Appendix 1

Terms and Conditions for the Hire of the School Premises

Kingston Educational Trust permits the hiring of the facilities described in the Lettings Booking Form (the 'Premises') on the terms and conditions set out below. The 'Hirer' is the person or organisation making the application for a letting and this person or organisation will be responsible for the payment of all fees and other sums due in respect of the letting.

Any letting may be terminated immediately, at the Trust's or Head Teacher's discretion, if any of these conditions are not complied with or if disorder, damage to property or an illegal act has taken place or is in their reasonable opinion likely to take place on the Premises.

1. Status of the letting agreement

The letting agreement is personal to the Hirer only and may not be assigned. Nothing in the agreement is intended to have the effect of giving exclusive possession of any part of the school to the Hirer or of creating any tenancy between the Trust and the Hirer.

2. Induction

No new letting shall commence until the hirer has attended an induction session with the Facility Manager and signed the Letting Induction Form to confirm this.

3. Use and Access

The Hirer may access the Premises on the date(s) and time(s) and for the use specified in the Lettings Booking Form.

The Trust does not warrant that the Premises are fit or suitable for the purpose of the hire.

The Hirer is responsible for ensuring these terms and conditions of use are observed and for the effective supervision of the arrangements and activities in the Premises during the hire period and for the prevention of disorderly behavior.

The Trust retains the right to access the Premises at all times during the hire period and the Hirer must comply with all reasonable instructions given by school staff.

4. Restrictions on Use

The Hirer shall not use the Premises for any illegal purpose or for any purpose or in a manner that would cause loss, damage, injury, nuisance or inconvenience to the school or any other users of the school site or any owner or occupier of neighbouring property. No betting, gaming or gambling is allowed on the Premises.

The Hirer shall not make any alterations or addition to the Premises and no fittings or decorations of any kind necessitating drilling or the fixing of nails or screws are permitted.

No interference is to be made with school property/equipment and no access to other parts of the building or site, which do not form part of this hire agreement, is permitted.

Smoking is not allowed anywhere on the school site at any time. No items of a flammable, dangerous or noxious character may be brought onto the Premises.

5. Hire Fee and Deposit

The hire fee is payable in full at the time of booking. Payment for recurring bookings will be required half termly in advance. Please make payment to The Kingston Academy, Bank Details: Lloyds Bank 30-94-77 74007968

The Trust reserves the right to require a deposit over and above the hire fee as a surety against damage to the Premises (including any equipment) or the Premises being left in an unacceptable condition requiring additional cleaning, caretaking or other expenses.

6. Condition and Damage

The Hirer will keep the Premises in a clean and tidy condition and they must be left in the same condition as before the hire period. Any damage must be reported without delay to the Facilities Manager.

Any damage, destruction or theft that occurs during the hire period in or to the Premises, to the building, equipment or School property will be the responsibility of the Hirer and the Hirer shall pay to the Trust the cost of making good any such loss or damage, together with all associated costs incurred by the Trust.

7. Insurance

The Hirer must hold appropriate public liability insurance with a reputable insurance office to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the Premises are being hired) and/or loss or damage to property, including the Premises. The minimum limit for this insurance cover is £5,000,000. If the Hirer directly employs staff it is a legal requirement that employers liability insurance is held (the level of cover required is again £5,000,000). The Hirer must produce the appropriate certificate(s) of insurance cover before the letting can be confirmed.

The School may at its discretion waive the requirement to hold public liability insurance where the Hirer is an individual or small informal group of individuals (not using the Premises for commercial or business purposes) who do not hold public liability insurance and who may find it difficult to obtain. In these circumstances, the School will arrange for the Hirer to be covered under the School's own public liability insurance and any extra associated costs will be reflected in the Hire Fee.

8. Indemnity

The Hirer shall keep the Trust indemnified against all expenses, costs, claims, damage and loss (including any diminution in the value or loss of amenity of the Premises) arising out of the use of the Premises by the Hirer or from any breach of any of the Condition of Hire by the Hirer, or any act or omission of the Hirer, or any other person on the Premises with the actual or implied authority of the Hirer.

9. Loss

The Trust does not accept liability for any loss, theft or damage to property brought onto the Premises by or on behalf of the Hirer or damages to vehicles parked in the car park or injury to any person arising out of the letting of the Premises however caused.

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

The Trust shall not be liable for any loss or damage suffered by the Hirer as a direct or indirect result of the performance of this hire agreement being prevented, hindered or delayed by reason of any act of god, riot, strike or lockout, trade dispute or labour disturbance, accident, breakdown of plant

or machinery, fire, flood, difficulty in obtaining workmen materials or transport, electrical, power failures or other circumstances whatsoever outside its control and which affect the provision by the Trust of access to or use of the Premises.

10. Safeguarding

Hirers who are providing facilities at any time that involves the supervision of or activities with children must confirm in writing that an Enhanced DBS Certificate with barred list checks has been obtained for every member of staff or volunteer who will work with the children. In addition, the Hirer must supply copies of required Risk Assessments and have:

- An up to date record of recruitment and vetting procedures for employed staff;
- Robust health and safety policies with which the staff are familiar, and which ensure the safety of children and staff;
- Robust safeguarding policies and procedures with which the staff are familiar.

All adults must be appropriately qualified and experienced to undertake the activities proposed and copies of relevant qualifications must be provided on request.

Adequate supervision must be provided, and, where applicable, the Hirer must adhere to the correct adult/minor ratios at all times when these are specified for particular activities e.g. by national governing bodies of sports, scouts etc.

The Hirer is responsible for supervising any children taking part in any activity until they are collected by a responsible adult. The collection point is from the main gate and adults who are collecting children should not enter the school premises. If any parents or carers are late in collecting their children it is the responsibility of the leader of the session to contact them and remain with the child until the adult arrives. No child should be left unaccompanied in school.

Hirers must retain a register of all the children attending any club or activity and make this available to the school as required.

11. Cancellation

If the club/activity has to be cancelled at short notice, it is the responsibility of the Hirer to contact the participants or to make alternative provision to supervise the participants (in the event of them being children) until they are collected. The school will not be responsible for making these arrangements or supervising children whose parents have not been contacted or have not collected their children.

12. Attendance

The Hirer must ensure that the number of persons using the Premises does not at any time exceed that for which the application was made and approval given.

13. Health and Safety

The Hirer must comply with all laws relating to the Premises and the occupation and use of the Premises by the Hirer, including but not limited to Health and Safety legislation.

All conditions attached to the granting of the letting and the school's health and safety policy shall be strictly observed. A copy of the policy is available from the school website. Nothing shall be done which will endanger the users of the building, or invalidate the policies of insurance relating to it and its contents.

In particular:

- Prior to the commencement of any meeting, event or performance there must be an announcement, drawing the attention of all those present to the nearest fire exits and emergency procedures.
- obstructions must not be placed in gangways or exits, or in front of emergency exits, which must be available for free public access and exit at all times;
- the emergency lighting supply must be turned on during the whole time the premises are occupied, and must illuminate all exit signs and routes;
- fire-fighting apparatus shall be kept in its proper place and only used for its intended purpose;
- the Fire Brigade shall be called to any outbreak of fire, however slight;
- the Hirer is responsible for familiarising themselves with the procedure for evacuation of the Premises, escape routes, assembly points and shall be familiar with the fire-fighting equipment available (see the attached Fire Regulations and Evacuation for Events and Lettings at Appendix 4) and must keep a register or sign in book of those present;
- any portable equipment to be used must have a current PAT test certificate, to be provided on request;
- the Hirer will immediately inform the School of any emergency, accident or serious incident that occurs during the Hire Period by telephoning the School Emergency Contact. The Hirer will be responsible for reporting any accident to the Health and Safety Executive;
- the Hirer is responsible for communicating the information in the attached Fire Regulations and Evacuation for Events and Lettings to anyone attending the event or activity;
- performances involving danger to the public shall not be permitted;
- highly flammable substances shall not be brought into, or used, in any part of the premises.
- no internal decorations of a combustible nature shall be brought onto the Premises.

14. Evacuation of the Premises

The Hirer shall comply with the attached Fire Regulations and Evacuation for Events and Lettings (see Appendix 4). In the event of an evacuation, the Hirer must ensure that all participants vacate the building and that everyone is accounted for. The Hirer must have immediate access to the participants' emergency contact details.

15. School Equipment

This can only be used if requested on the Lettings Booking Form, and if its use is approved by the Head Teacher. Responsible and appropriately trained adults must supervise the use of any equipment which is issued and ensure its safe return. The Hirer is liable for any damage, loss or theft of school equipment they are using, and for the equipment's safe and appropriate use.

16. Food and Drink

There are currently no kitchen facilities in the school and no food may be prepared on the Premises.

No nuts or food containing nut products should be brought onto the school premises

17. Car Parking Facilities

Subject to availability, the school car park may be used by the hirer and other adults involved in the letting, all vehicles must be removed at the end of the hire period. Car Parking Facilities must be requested on the Lettings Bookings Form and all arrangements for access agreed with the school.

18. Toilet facilities

Access to the school's toilet facilities is included as part of the hire arrangement. Toilet facilities must be left in a clean and tidy condition.

19. First Aid Facilities

There is no legal requirement for the school to provide first aid facilities to the Hirer and the school's resources will not be made available. It is the Hirer's responsibility to make their own arrangements, such as the provision of first aid training for supervising personnel, and the provision of a first aid kit.

Where the Hirer is providing sporting activity or coaching, an assessment of the risks and first aid needs must be undertaken by the Hirer to decide on an adequate level of first aid cover. Valid and current First Aid certificates must be in place and there should be a qualified first aider present and an adequate number of staff available during the length of the session, so that, in the event of an emergency, the group are not left unsupervised if the first aider has to go to the hospital with a casualty.

20. Alcohol

No alcohol may be consumed or sold on the Premises without the prior permission of the School. The responsibility for obtaining a liquor licence, should this be required, lies with the Hirer.

21. Smoking

The whole of the school premises is a non-smoking area and smoking is not permitted anywhere on site.

22. Copyright or Performing Rights

The Hirer will not, during the occupancy of the premises, infringe any existing copyright or performing right and will indemnify the Trust against all sums of money which the Trust may have to pay by reason of an infringement of copyright or performing right occurring during the period of hire covered by this agreement.

23. Site Security

Generally, a responsible member of school staff will be present on site to supervise the letting and take responsibility for site security.

However, for regular, established long term hirers, the Head Teacher has the discretion to allow them to become official key holders. In such cases a responsible member of school staff would not always be present on site, but would be contactable by telephone. The school would provide a full induction in its health and safety protocols and would work with the Hirer to revise the school's security risk assessment and arrangements to ensure the school premises are protected during the let. The Hirer's access will be limited to the areas of the Premises that they let for the duration of the agreed hours and the Hirer will be responsible for ensuring that the school premises are properly secured on exit, including the setting of the alarm.

24. Right of Access

The Trust reserves the right of access to the Premises during any letting. The Head Teacher, Facilities Manager, School Business Manager and/or members of the Senior Leadership Team may monitor activities from time to time.

25. Conclusion of the Letting

The Hirer will at the end of the hire period, leave the Premises promptly and in a clean and tidy condition, all equipment belonging to the school being returned to the correct place of storage and furniture returned to its original position. Any equipment belonging to the Hirer and all rubbish must be removed. If this condition is not adhered to, an additional cost may be charged.

26. Promotional Literature / newsletter

A draft copy of any information to be distributed to participants or through the school must be approved by the School Business Manager a week prior to distribution by the hirer. No advertisements should be displayed inside or outside the school premises without prior written agreement.

27. Charges and Cancellation

Charges

Hire charges are reviewed annually. Current charges are as follows:

School Hall hire	£35 per hour
Classroom hire	£25 per hour (per classroom)
Playground hire	£50 per hour
Conference room hire	£25 per hour

28. Cancellation

The letting may be cancelled by the Hirer and a full refund will be made, provided that at least two month's notice is given. Cancellations made less than two months before the event date will be charged in full.

For bookings made on a regular basis, ie at least ten bookings per term, the following notice period will be required for 'one off' cancellations of a single booking: over one month's notice no cancellation charge, two weeks' notice 50% charge and less than one week's notice 100% charge.

The school will seek to recover any costs incurred by the school that are unavoidable and result directly from the cancellation of a letting by the Hirer.

Any letting may be terminated immediately, at the Trust's or Head Teacher's discretion, if any of these terms and conditions of hire are not complied with or if disorder, damage to property or an illegal act has taken place or is in their reasonable opinion likely to take place on the Premises and no hire fee (or part thereof) shall be refundable.

The Trust/school may cancel any letting where necessitated by the requirements of a school activity but will endeavor to give as much notice as possible. In such circumstances, the Trust will refund the hire fee (and any deposit) but will not be responsible for any loss or expenditure whatsoever in relation to the letting which the Hirer may have incurred or be liable to pay.

The Trust will not accept any responsibility for any loss, or other expenses however incurred by the Hirer, in the event of a cancellation by the Trust/school of the letting as a result of circumstances beyond its control (including, without prejudice to the generality of the same, industrial action by its employees, or others, inclement weather, failure of electricity/gas supply, health and safety issues relating to factors beyond the control of the Trust). The decision whether a letting should be cancelled shall be binding on the Hirer. Notification of any cancellation shall be in writing and may be by email or recorded delivery letter.

Charges are always specified in writing to the Hirer including any review arrangements. The Trust/school may cancel without notice any letting for which payment has not been received. This may be a single event or, for multiple lettings, the first in the series for which payment has not been received.
